

Conch Key Villas Directions

Conch Key is located off U.S.1 at mile marker 63, bayside, just past the Long Key Bridge.

You will find the mile markers along side of US 1, small green signs with the number. Key Largo is mile marker 120 and Key West is mile marker 0.

Turn right onto Conch Key (bayside). Now, turn left onto South Conch. We are the Conch colored (light pink) 4 unit, 2 story building. Please note your parking space is labeled the same as your rental unit. Please drive slowly once on Conch Key, thank you!

From Ft. Lauderdale Airport: Take 595 West to the Florida Turnpike - South. It takes about 2 1/2 hours to get to Conch Key from Ft. Lauderdale.

From Miami Airport: Take Highway 836 West to the Florida Turnpike - South. It takes about 2 hours to get to Conch Key from the Miami Airport.

Stay on the Turnpike until it dead-ends and merges into US 1 in Florida Keys.

From Key West International Airport: Drive north to mile marker 63 and turn left (bayside). It takes about one hour and 15 minutes from Key West.
